Bulletin

03. - 06. August, 2016., Cres island

CRES

OOCUP
5 day orienteering event

MARINA & RICCARDO
ROOMS BELI

LIPICA OPEN

General information:

Open hours of competition office:

August 2nd: 17:00 - 20:00, Cres, Primary school playground

August 3rd: 7:00 - 12:00, Finish area, Cres, Primary school playground

August 4th - 6th: 7:00 - 12:00, Finish area Srednji

Competition office and Finish areas coordinates:

Cres, Primary school playground: 44.961402, 14.409969
Srednji above Beli village: 45.111563, 14.335844

Organizers: URSUS OUTDOOR, LAG Volim Beli, DROT, TJ Slovan

Event type: 4 day event. Results of 4 days sum up for the final classification.

Distances: Parking --- Finish area:

Stage 1: 0 - 1500m

Stages 2, 3 & 4: 0-100m

First start: 8:30 all days

Maps scales:

Stages 1, 2 & 4: 1 : 7500, E = 5m

Stage 3: 1:5000, E = 2,5m

Map protection: maps will be printed on Pretex synthetic paper, which is water resistant. However, if you prefer running with map in plastic bag, it will be possible to get one in info tent. Plastic bag may not fit the map size, so map folding might be necessary if using plastic bag.

Control descriptions: upon registration each competitor will get a sheet of paper with control descriptions for all 4 days. It is competitor's responsibility to cut out the control descriptions for each stage and not lose the sheet. Control descriptions will not be available at the start. They will be printed on the maps for all stages. In case competitor loses or forgets her/his control description sheet, it will be possible to get it at Info tent. We reserve the right to charge any additional Control description sheets 1 EUR (Controls descriptions for all days).

Taking maps and giving them back: at the start, each competitor takes the map at his own responsibility. Therefore, before you start to run, check the map title to make sure that the one with correct course was taken. Runners will not be asked for their maps after finishing race. Therefore, you are kindly asked for **fair play** - do not show your map to the runners who haven't started yet! Otherwise you risk disqualification.

Number bibs: all competitors are obliged to wear number bib on their chest! Otherwise they risk disqualification and rejection at start.

Refreshment on the course: refreshment points will be provided on longer courses on stages 1, 2 and 4. This will be marked accordingly on the map.

SI cards: possible to rent for 2€ per stage or 8€ per 4 stages. Lost or unreturned SI card costs 50€. Upon renting you will be asked for 50€ deposit (per card) or a personal document (optionally), which you will be given back as SI card is returned.

Beginners, Open and MW10-shadowed: girls and boys in M10-shadowed and W10-shadowed classes and participants in Open and Beginners classes will have open start, which means that they can come to the start whenever it suits them, ask for the next minute and start. Unlike other classes, Beginners, Open 1, Open 2, Open 3 and MW10-shadowed will use start control.

Time limit: 2 hours and 30 minutes for all stages, except for the 3rd stage when it's 90 minutes. As soon as the last starters' time limit expires we will start to collect controls from the forest.

Prize giving: after 4th stage, as soon as first 3 in all classes are clear small symbolic prizes will awarded. Normally that would be around 12:00. **There will be no prize giving for the classes with open start where shadowing is allowed: Beginners, Open1, Open2, Open3, M10-shadowed, W10-shadowed.**

Results on WiFi network: in order to use live results service in the Finish area you need to have device with WiFi (smartphone, laptop...) In the finish area, reasonably close to Finish tent, there will be available WiFi network (Bubo cup). Once you connect to our network you only need to start your browser and refresh it. Live results will appear. Note that service will only be available after the first start each day. To get updated results, you will need to refresh your browser.

Training: each competitor can get a free of charge map of Cres town (1:2500). No controls will be set in the town.

Tents: clubs are allowed to pitch a tent during stages 2, 3 & 4.

Kids' course and Kindergarden: there will be free of charge Kindergarden organized on all stages. Maps for Kid's course will be available at the info point. Kindergarden will open 30 min before first start each day. Children should be accompanied by their parents. For Kid's course no SI card is required and entry is free of charge.

Insurance and medical assistance: competitors are not insured by organizer. Organizer takes no responsibility for any injuries or health issues that might happen or occur among the participants before, during or after Bubo cup 2016. Each competitor takes part solely on his/her own responsibility. Medical assistance will be provided, however. An emergency medical car with doctor will be present at all stages in the Finish area. Any costs of urgent transport to the hospital shall be covered by competitors.

Water: Water for drinking will be available in Finish area as well as on courses of three stages (1, 2 and 4)

Fresh water is scarce in the northern part of island, so we kindly ask you to use it sparingly (for drinking only, not for washing).

Fire risk: it is strictly forbidden to make any kind of fire, including using the gas stove in any place on island, except in designated places (official camps). Any observed violation will result in ban from competition!

"Wild" camping: it is strictly forbidden to camp (be it in tent, motorhome or anything alike) in the forest or any place other than designated by organizer or accommodation providers. This will be monitored in the competition area and any violation will result in ban from competition.

Traffic in Beli village: Beli is a pictureque little village, designed before tourism became popular. Parking spaces are limited in summer time, so we kindly suggest that, unless you are accommodated in the village, do not enter it by car.

You can reach Beli village on foot from Finish arena in Srednji, as you can see on the extract of the hiking map.

3. During summer time, there is a small "train" taking passengers from Beli beach (Lučica Beli) to Pansion Tramontana (NW edge of the village). This train is payable, but will cover the main uphill for you when you go back from Beli beach to Finish arena. The distance between Finish arena in Srednji and Beli beach is some 2500m and 320m height difference.

Stage 1 - Cres olive groves:

Venue: Cres town, Primary school, COORDINATES: 44.961402, 14.409969

Terrain: Very unique area. Vegetation either open or olive groves. Often very hard to cross due to stony ground and countless stone walls. Watch your step!

Map: Creski maslinici, 1 : 7500, 5m

Course planner: Jaka Piltaver

Distance to start: 1200m

Refreshment on the course: YES, all but shortest courses (MW10/12..)

Special notes:

1. Dislocated Finish control: Finish control will be dislocated from the Finish arena and the read out tent. Competitors will walk this distance. **Do not forget to read out your SI card when you come to Finish tent!**

Distance from Finish control to Finish arena (read out tent): 1200m

2. Map: was made by top Slovak mapper Robert Miček, however due to specific terrain it does take some time to "get into" the map. Once you get to understand it, orienteering becomes joy :)! Take first controls easy!

Special symbols:

..... small ruined stone wall, very easy to cross

■ ground covered with small stones, most often used for long piles of small stones. Grey color is very important for navigation on this map.

3. Stone walls: are sometimes hard to cross. Normally only walls which are represented with the regular normal stone wall symbol (—●—) are problematic. Try to avoid them, and always look for the passages, not ruining the newly shaped walls. That is also the fastest way to move in this terrain.

4. Parking: there will be no organized parking for competitors. However, there are several payable Parking places in Cres town, as marked on the map. If you're staying in Cres or in Kamp Kovačine, please consider coming on foot and not using the car.

Stages 2, 3 and 4 - Srednji, Tramuntana:

Venue: Srednji, Coordinates: 45.111563, 14.335844, marked from road to Beli village.

Terrain: Beautiful area in Tramuntana forest. Interesting forms, partly as a consequence of bauxite mining long time ago. Runability ranging from very good (particularly Stage 3) to difficult. Some open parts as well as some very rocky areas.

Maps:

Stages 2 & 4: Tramuntana 1:7500, E=5m

Stage 3: Srednji, 1 : 5000, E=2,5m, ISSOM

Course planners Jaka Piltaver

Distances to start:

Stage 2: 1700m, 55m climb

Stage 3: 460m, 30m climb

Stage 4: 200m

Refreshment on the course:

Stage 2: YES, all but shortest courses

Stage 3: NO

Stage 4: YES, all but shortest courses

Special notes:

1. Road from Sv. Petar to Srednji is a low quality, quite narrow dirt road where it is not so easy for two cars to meet. Start will last only for some 90min, therefore we expect that last arrival to Finish arena will happen before first departures. In any case we strongly recommend not to leave the area before 9:30!

2. Dislocated Finish control on STAGE 2: Finish control on Stage 2 will be dislocated from the Finish arena and the read out tent. Competitors will walk this distance. **Do not forget to read out your SI card when you come to Finish tent!**

Distance from Finish control to Finish arena (read out tent): 900m

3. Check general information for info on traffic in Beli village.
